## OUR RESPONSE TO CONTRIBUTING TO A THRIVING COMMUNITY

“Building Discount Prescription Services by offering services that benefit the community has always been a passion of mine. It means **contributing to the community as a whole** and doing your part. We’re responding to your needs by providing high-quality medications at budget-friendly prices sourced with Certified Partner Pharmacies.”

- Dulcy Kushmore, President

Charity of Choice is our way of saying ‘thanks’ to the local organizations who support our community and do so much for the arts, culture, sciences, education, health, animal rescue and community outreach. As a customer, you can select one of **these** organizations in Sarasota and Manatee County, each time you place an order a donation will be made by us on your behalf.
